

Gallery Artwork Hanging Requirements

- Exhibits must be clearly labelled on the bottom right hand corner with your name, address, title of art work, medium and price.
- Art works to be hung must have hanging wire attached to securely fixed D-rings of appropriate size for the artwork, and large enough to put a pencil through. The Gallery hanging system requires hooks to be inserted into the D-rings on either side of the artwork.
- **Eyelet screws and normal screws with wire are NOT acceptable.** If you are unsure please contact a Gallery Staff member. You can find out contact information on the gallery website (www.burrageallery.com) by clicking on "Contacts" located in the website menu.

Various Acceptable D-Rings

Eyelet Screw
NOT SUITABLE
